

Year 6 Long Term Plan for Mathematics 2024-2025

At St Thomas' CE Primary Academy we follow the White Rose long term plan and small steps planning. Where maths units are only explicitly taught once year, such as time, shape and money, these are frequently revisited during retrieval activities and in mental oral starters

	Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7	Week 8	Week 9	Week 10	Week 11	Week 12	Week 13	Week 14	Week 15	
Autumn	Number: Place Value		Number: Addition, subtractions, multiplication and division					Half term	Number: Fractions A		Number: Fractions A		Fractions	Consolidation	End of Term	
Spring	Decimals		Number: fractions, decimals and percentages		Measurement: converting units	Half term	Measure: Area, perimeter and volume		Statistics		Shape: Angles (Ratio in scaling and HA problem solving)		End of term			
Summer	Geometry: Shape				Geometry: Position and direction		Half Term	Themed projects, consolidation and problem solving							End of term	
								-algebra								
								Shape								
								- Ratio								
								- Circles,								
								- Angles								
								- Time								
								- Timetables								
								- Problem solving
