July 2025

Dear Parents and Carers,

As we come to the end of another remarkable year at St Thomas', I want to take a moment to reflect on all that we have achieved together — and to say a huge and heartfelt thank you for the part you have each played in making our school such a joyful, hopeful, and flourishing community.

This year has truly been phenomenal for our school. In February, we were inspected by Ofsted and were thrilled — and rightly proud — to be judged Outstanding in all areas. This was a powerful recognition of the high standards, the love of learning, and the unwavering care that shine through in everything we do here.

Not long after, our SIAMS (Statutory Inspection of Anglican and Methodist Schools) church school inspection celebrated and showcased how our Christian vision — to nurture, inspire, and transform lives — is not just words on a page, but is truly lived out every day in the lives of our children and our community. The inspector spoke of the way our vision brings hope, transforms lives, and shapes our school into the warm, inclusive, and uplifting place it is.

Alongside these fantastic milestones, this year has been full of opportunities, trips, and achievements that have enriched the lives of our children. From memorable educational visits and sporting events, to musical performances and creative projects, to the many academic successes in classrooms every day — the children have truly flourished, and it has been a privilege to watch them grow in confidence, knowledge, and joy. What strikes me most, as I walk through school each day, is the laughter, encouragement, and hope that you can see and hear in every corner — in the friendships on the playground, the pride in a new skill mastered, the compassion shown to others.

None of this would be possible without the extraordinary people who surround and support our children. To you, our parents and carers, I want to say a sincere thank you for your unwavering support, partnership, and trust. Your encouragement enables your children — and our school — to thrive.

I also want to express my deepest gratitude to the incredible staff team here at St Thomas', whose dedication, creativity, and care inspire me every day. To our governors and to the trustees of Infinity Academies Trust, thank you for your encouragement, wisdom, and belief in what we can achieve together. Your support enables us all to flourish.

As we look ahead to the summer, I hope each of you can enjoy some precious time with family and friends, and that the holidays are filled with happiness, rest, and safety.

On behalf of everyone at St Thomas', I wish you and your children a happy and safe summer, and I look forward to welcoming everyone back in September for another year of joy, hope, and learning.

With heartfelt thanks and warmest wishes,

A handwritten signature in black ink that reads 'J Sharples'.

# Working as Subject Experts

## 'Aspire to Achieve'

### Working as an artist

We explore the work of famous artists to inspire us to create our own work in their style. We concentrate on their tone and use of perspective in our work.

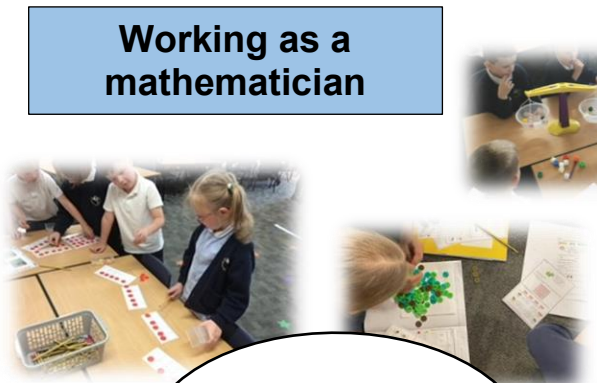

### Working as a historian

Exploring the past is important. We get to build our knowledge about trade at different times and in different places.

Exploring the work of designers and how their work impacts the environment, we designed our own authentic pieces recycling materials.

### Working as a mathematician

We use resilience to learn new skills and master effective methods of calculating.

### Working as a designer

### Working as a writer

### Working as a musician

Exploring rhythm and tempo to play instruments and perform together.
